## 249-240BN-21 RA 23SP Dixit LED 51W 3000K

Design: Studio Tecnico Ivela

**IP 44** IK 07

#### **Product Code** Color 249-240BN-21 Mat white **General specifications** Product type Downlights Ceiling - recessed Mounting type Mounting location Ceiling Indoor/Outdoor light Indoor Description Professional recessed downlights with fixed optics, providing great lighting performance thanks to the high efficiency COB LEDs of last generation. The RA 23 SP DIXIT LED luminaires, with passive heat dissipation, grant a high luminous density and an excellent colour rendering. They are easy to install in false ceilings from 1 to 30 mm, through specific springs LED drivers should be ordered separately, the wattage of the fittings changes depending on the select driver. Showrooms , Shops , Retail , Offices , Conference rooms , Accommodation facilities Applications i Stated L.O.R. and delivered lumens values are related to standard beam angle versions Lighting specifications Lamp description LED 6800lm 51W 3000K CRI85 Nominal lumens on thermal regime (Im) 6800 LOR 85.7 5827 Delivered lumen (lm)
